Title:	16 nursing students fell ill after consuming 'contaminated water' in Dakshina Kannada's Mangaluru, Karnataka			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Dakshina Kannada, SSU- Karnataka			

As many as 16 nursing students of a private college in the city fell ill allegedly due to consuming contaminated water on Sunday evening.

The students developed symptoms of vomiting and diarrhoea. However, none were admitted to the hospital. Health officials said all the affected students have recovered.

Meanwhile, health officials said that food and water samples have been sent to the lab for determining the exact cause of the incident.

Save Water- Save Life, Save a tree- Don't print unless it's really necessary!
