

How to install Inter-wise Software / Application

Type <http://www.weblearning.nic.in/> in Internet Explorer Address Bar then Enter.

The screenshot displays the NIC WebConnect website. At the top left, the logo reads "NIC WebConnect eLearning Solution" with a sunflower graphic. To the right is the "NATIONAL INFORMATICS CENTRE NIC THE IT SUPPORT PROFESSIONALS" logo. A navigation menu below the header includes: Home, NIC iMeetings, Virtual Classroom, TeleEdu-NE, LMS, Download, Help, and About us.

The main content area features a "VIRTUAL CLASSROOM 'WebConnect iClass'" section. It lists the following capabilities:

- Virtual Classroom
- Teacher/Presenter's Video Sharing
- Desktop/Presentation/Application Sharing
- Remote Desktop Support
- Chat
- Online White Board Sharing

To the right of this list is a screenshot of a web browser window displaying a page titled "DISCO" with the following text:

- DISCO is a proprietary file format placed at the root of a Web directory
- Virtual Studio generates the DISCO for your XML Web service when you generate your service
- Easy discovery model for HTTP

Below the list is a "Latest Updates" section. At the bottom of the page, a paragraph states: "There had been a growing need for more innovative methods for conducting seminars, training's, and conferencing with desired operational efficiency, confidentiality, security and cost effectiveness to cope up".

Now Click on [DOWNLOAD](#) tab

The screenshot shows the AT&T Connect Communications Center interface. The top navigation bar includes the title 'Communications Center', the user's name 'Delhi NICD / IDSP-CSU', and the date 'Monday, September 27 2010 11:36'. The main content area is titled 'AT&T Connect' and features a 'Go to Portal' dropdown menu set to 'CIC', along with 'Logout', 'Home', and 'Help' buttons.

The interface is divided into several sections:

- Left Sidebar:** Contains navigation links such as 'Welcome, Delhi NICD / IDSP-CSU', 'ENTER My Room', 'JOIN iMeeting', 'iMeeting' (with sub-links for 'New' and 'Join'), 'Getting Ready', 'My Information', 'Tools', and 'Materials'.
- Top Tabs:** 'General Information' (selected), 'Participants', 'Audio', 'Materials', and 'Options'.
- Main Content Area:** Displays the 'General Information' form with the following fields:
 - Event Name*:** A text input field with an arrow pointing to it from the text above.
 - Comments / Agenda:** A large text area for notes.
 - Date (mm/dd/yyyy):** A date selector showing '9 / 27 / 2010'.
 - Time:** A time selector showing '11 : 35 AM (GMT+5:30)'.
 - Event Length*:** A field set to '60 mins'.
 - Assign to Department:** A dropdown menu currently showing '----'.
- Bottom Buttons:** 'Start Event Now' and 'Cancel' buttons.

Insert Date and Time, Assigned to Department as NIC, Event length in minutes

Now Click on Participants Tab

The screenshot displays the AT&T Connect Communications Center interface. At the top, the header includes the text "Communications Center" and "AT&T Connect" along with the date and time "Monday, September 27 2010 11:39". Below the header, there are navigation tabs: "General Information", "Participants" (which is the active tab), "Audio", "Materials", and "Options".

On the left side, there is a sidebar with a "Welcome, Delhi NICD / IDSP-CSU" message and several buttons: "ENTER My Room", "JOIN iMeeting", "iMeeting", "New", "Join", "Getting Ready", "My Information", "Tools", and "Materials".

The main content area of the "Participants" tab is titled "View list of" and contains two radio buttons: "Communications Center Users" (selected) and "Address Book Users". Below this, there is a text input field for "Name / Email:" and a "Group:" dropdown menu currently set to "All". There are "Invite" and "Search" buttons next to the input field, and a link for "Advanced Search".

Below the search area, there are two columns: "Select from List" and "Selected". The "Select from List" column contains a text box with the instruction "Use 'Search' to narrow selection" and an "Add New..." button. The "Selected" column contains a text box with "None Selected". Between these columns are buttons for "Add>>", "<<Remove", and "Add New...".

At the bottom of the "Select from List" and "Selected" columns are "Select All" buttons. Below these columns, there is a checkbox for "Send Email to Participants" which is checked, and a "Total Participants : 1/300" label. At the very bottom of the interface are "Schedule Event" and "Cancel" buttons.

Select your State Group

The screenshot shows the AT&T Connect Communications Center interface. The top navigation bar includes "Communications Center" and "AT&T Connect". The main content area is divided into tabs: "General Information", "Participants", "Audio", "Materials", and "Options". The "Participants" tab is active, displaying a "View list of" section with radio buttons for "Communications Center Users" (selected) and "Address Book Users". Below this is a search instruction: "Enter the first character(s) of the users' name or email address. To search for multiple users, separate each user with comma. To display the entire list, enter *." There are input fields for "Name / Email:" and "Group:". The "Group:" dropdown menu is open, showing a list of state abbreviations: All, IDSP_AND, IDSP_AP, IDSP_ARUN, IDSP_Assam, IDSP_Bihar, IDSP_Chattisgarh, IDSP_CHD, IDSP_Daman, IDSP_Delhi, IDSP_DNH, IDSP_Goa, IDSP_GUJ, IDSP_HP, IDSP_HRY, IDSP_Jharkhand, IDSP_JK, IDSP_KAR, IDSP_KER, IDSP_LAKS, IDSP_MAH, IDSP_Manipur, IDSP_MEG, IDSP_MIZO, IDSP_MP, IDSP_NGL, IDSP_ORI, IDSP_PON, IDSP_Punjab, and IDSP_Rajasthan. An arrow from the text "Select your State Group" points to the "Group:" dropdown menu. Other elements include "Invite" and "Search" buttons, a "Selected" list (currently "None Selected"), a "Select All" button, and a "Total Participants : 1/300" indicator. The bottom status bar shows "Internet" and "85%" zoom level.

Click on Option Tab.

The screenshot displays the AT&T Connect Communications Center interface. At the top, the header includes the date and time "Monday, September 27 2010 11:41" and the "AT&T Connect" logo. Below the header, there are navigation links for "Go to Portal", "CIC", "Logout", "Home", and "Help". The main content area is divided into several tabs: "General Information", "Participants", "Audio", "Materials", and "Options". The "Options" tab is currently selected, and an arrow points to it from the text "Click on Option Tab." above. The "Options" tab contains several settings:

- Record on the Server
 - Publish Recording to Participants
 - Allow Participants to Record Locally
 - Allow Participants to use Video
- Only users who are invited or registered in advance can enter the Event [More Info](#)
- Publish in ACC Catalog To all ACC users To invited users only
- Allow users to register for the Event in advance
- Publish in NIC Portal
- Participant Application Type:

At the bottom of the "Options" tab, there are two buttons: "Schedule Event" and "Cancel".

Select the following options (all these three options should be checked)

The screenshot displays the AT&T Connect Communications Center interface. The top navigation bar includes the title "Communications Center" and "AT&T Connect" logo, along with the date and time "Monday, September 27 2010 11:41". Below the navigation bar, there are tabs for "General Information", "Participants", "Audio", "Materials", and "Options". The "Options" tab is currently selected. The options listed are:

- Record on the Server
- Publish Recording to Participants
- Allow Participants to Record Locally
- Allow Participants to use Video
- Only users who are invited or registered in advance can enter the Event [More Info](#)
- Publish in ACC Catalog To all ACC users To invited users only
- Allow users to register for the Event in advance
- Publish in NIC Portal

At the bottom of the options section, there is a dropdown menu for "Participant Application Type" set to "Participant Application for Windows". Below the options are two buttons: "Schedule Event" and "Cancel".

Click on Schedule Event

The screenshot displays the AT&T Connect Communications Center interface. The top navigation bar includes the title "Communications Center" and "AT&T Connect", along with the date and time "Monday, September 27 2010 11:42". A sidebar on the left contains navigation links such as "Welcome, Delhi NICD / IDSP-CSU", "ENTER My Room", "JOIN iMeeting", "iMeeting New Join", "Getting Ready My Information", "Tools", and "Materials". The main content area features a tabbed interface with "Options" selected. The "Options" tab contains several settings: "Record on the Server" (unchecked), "Publish Recording to Participants" (unchecked), "Allow Participants to Record Locally" (checked), "Allow Participants to use Video" (checked), "Only users who are invited or registered in advance can enter the Event" (unchecked), "Publish in ACC Catalog" (checked) with radio buttons for "To all ACC users" (selected) and "To invited users only", "Allow users to register for the Event in advance" (checked), and "Publish in NIC Portal" (checked). A "Participant Application Type" dropdown menu is set to "Participant Application for Windows". At the bottom of the "Options" tab are "Schedule Event" and "Cancel" buttons. An "Event Details" pop-up window is visible, showing fields for Name, Date, Time, Length (mins), and Registered Participants.
