Title:	50 workers hospitalised after gas leak in meat factory in Aligarh, Uttar Pradesh			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Aligarh, SSU- Uttar Pradesh			

As many as 50 workers fell ill after inhaling ammonia gas that leaked in a meat factory in Uttar Pradesh's Aligarh on Thursday.

The workers were shifted to a nearby hospital after they complained of breathing difficulties.

At present, the condition of all workers is stable.

"Information was received about an ammonia gas leak in a meat factory in Rorawar area where mostly women engaged in packaging work. Around 50 people were admitted to a hospital after they complained of breathing difficulties. Doctors confirmed that everyone is stable," new agency ANI quoted Aligarh district magistrate as saying.
