Action By CSU, IDSP -NCDC	Information communicated to DSU- Mumbai, SSU – Maharashtra			

A few students attending an NCC camp at Sathaye college in Vile Parle complained of food poisoning after they were allegedly served substandard food on Wednesday. Around 30-35 out of 280 students from 10 colleges complained of nausea and diarrhoea on reaching home, said a student.

On Thursday morning, they returned to the camp, but five of them had to be taken to Cooper Hospital. Dr Shailesh Mohite, hospital dean, said, "They were absolutely fine after medication. They were reluctant to get admitted and chose to go home," he said, adding that only five had symptoms.

A student said that most of the drills on Thursday were cancelled. Tnn
