<b>Title:</b>	<b>Odisha sees outbreak of cholera, Above 30 people fell ill in district Ganjam</b>			
Action By CSU, IDSP -NCDC	Information communicated to DSU- Ganjam, SSU- Odisha			

The Kabisuryanagar block and NAC area of Ganjam district has witnessed the outbreak of cholera as more than 30 people have been diagnosed with the disease.

Reportedly, all of them have been admitted to Community Health Center (CHC) in Kabisuryanagar.

Meanwhile, the critically ill people were shifted to Aska NAC and Brahmapur hospitals as their health conditions deteriorated.

The cause behind the sudden outbreak of cholera has not yet been ascertained. However, it is being suspected that the people may have fallen ill with the disease due to the water pollution in the ponds of the area. A probe into the matter is underway.
